

COMMUNITY CLASSROOMS

A new choice for supporting the whole student

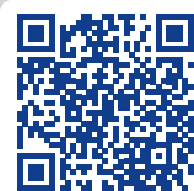

Is your child struggling in school?

Pivot Point's Community Classrooms offer an exciting alternative to public schools, large brick and mortar independent schools, and homeschooling! Our uniquely small class sizes create a safe and effective learning space for students throughout the school year, while following Ministry of Education curriculum.

Register today for Spring 2024 before all seats are gone!

- ✓ Ideal for children who struggle with large classrooms in public or private schools and families unable to accommodate homeschooling options.
- ✓ Classrooms are designed around age/ability groups:
 - Kindergarden through grade 3
 - Grades 4 through 7
 - Grades 8 through 12
- ✓ School year mirrors local public school structure.
